Seven lenses. Numbered for a reason.

Each one depends on the lenses before it. The order is not optional.

1	CAI	**Capability Architecture**	Capability taxonomy, proficiency levels, skill-to-role.	FOUNDATIONAL
2	DES	**Development Ecosystem**	Modality match for each capability challenge.	REQUIRES 1
3	TDA	**Learning Technology & Data**	Connected ecosystem, governed AI deployment.	REQUIRES 2
4	EDS	**Evidence & Decision Signal**	Capability gaps closing. Judgment quality improving.	REQUIRES 3
5	GDR	**Learning Governance**	Standards consistent. Ownership clear.	REQUIRES 4
6	LCI	**Learning Culture**	Reinforcement design, not sentiment.	REQUIRES 5 · BREAKTHROUGH
7	WCI	**Workforce Readiness**	Skills ahead of the moments that matter.	REQUIRES 6 · BREAKTHROUGH
