

# Veeva Remote Engage Kit

If you are a pharmaceutical company that wants to take advantage of Veeva's complimentary 6-month free trial of Engage, the Veeva Remote Engage Package, from our Eagle Productivity Solutions division, can provide your teams with the functional training and soft skills to ensure business continuity utilizing Veeva's Remote Engage.

Specific functional topics include:

- Veeva Remote Engage Functionality Overview
- How to manage your call process through this new remote tool – this includes scheduling calls, running HCP calls and logging remote calls in the Veeva CRM
- Soft skills for selling with Veeva Remote Engage
- Communication skills reference
