NIIT

End-to-End Learning Administration Support

Our Customer

A Finnish multinational company that offers a comprehensive portfolio of network equipment, software, services, and licensing opportunities across the globe. With a commitment to innovation, the company is a leader in the development and deployment of 5G networks. The company's communications service provider customers support more than 6.4 billion subscriptions with the company's radio networks while their enterprise customers have deployed over 1,300 industrial networks worldwide.
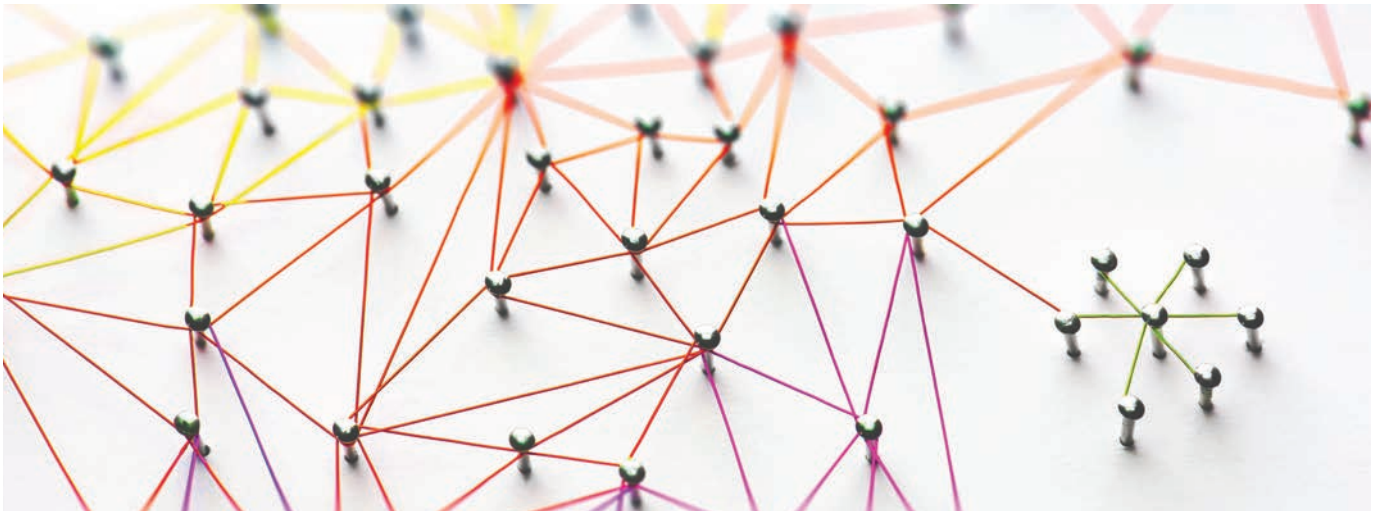

How We Help

NIIT supports the customer in managing both instructor-led and virtual courses on the Cornerstone platform end-to-end.

NIIT helps the customer with:

📝	Creating curricula, courses, tests, sessions, rescheduling, and activating courses, tracking attendance and completion, and sharing certificates.
📰	Creating participant profiles and enrolling participants, supporting with password reset and transcript issues.
📎	Sending automatic email notifications registration, reminders, class details, and creating orders in Cornerstone.

High Point   NIIT has supported the customer with more than **2.3 million** hours of training
