

Enhancing the Learning Capability of 120,000 Learners Globally with Dedicated Technical Consulting and LMS Administration Services

HCM Tech and Consulting

Our Customer

Our customer is a global biopharmaceutical company. It is involved in the research and development, manufacturing, and marketing of pharmaceutical drugs, principally in the prescription market, but also develops over-the-counter medication. The company provides healthcare solutions in more than 170 countries in the world and covers seven major therapeutic areas: cardiovascular, central nervous system, diabetes, internal medicine, oncology, thrombosis, and vaccines.

How We Help

NIIT is the global service provider of the customer for:

-  LMS Administration
-  Cornerstone Consulting
-  Digital Content Creation

NIIT Provides:

A dedicated team of Cornerstone Consultants to support the implementation and roll-out of the Cornerstone project of our customer – iLearn

LMS Administration support for iLearn for over 120,000 learners which includes tasks like -publishing, helpdesk, event management, curriculum and certification management

High Point The successful rollout and implementation of iLearn have eliminated the need for over **30** existing Learning Management Systems at the company.
