

Providing High-End Consulting Support for Cornerstone

Our Customer

A global commerce leader that connects millions of buyers and sellers in more than 190 markets around the world. Our customer creates inspiring e-commerce experiences for buyers, sellers, and developers. Embracing innovation has been a cornerstone of their growth and customer loyalty for more than 25 years – encompassing technologies such as AI, computer vision, natural language processing, and machine translation.

How We Help

- Consultancy services for the Global Compliance Program of the company
- Enhancement of Global Compliance Program by creating:

	Custom curriculum approach
	Streamlined invitation process for all learners
	Dashboards and e-mail escalation process

High Point

NIIT's Consulting services helped the company increase learner engagement and compliance rate with a significant reduction in administrative burden.
